Burgess Elementary School

Dear Burgess Community,
Picture day is scheduled on May 6th and May 7th. This year, we are using Casson and Foster. Enclosed in the email is pertinent information:

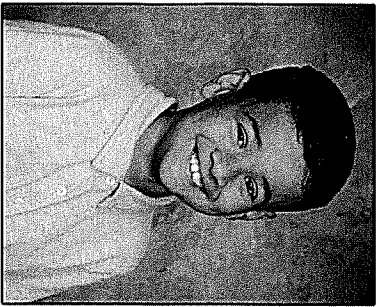

1. The schedule will detail what day and time your child will have pictures. Please note that Cohort D will be allowed to participate in person on Friday, May 7th at 12:30. Please enter school via the main office and you will be directed to the cafeteria.
2. Casson and Foster will take all student's pictures via a green screen. Please avoid wearing green clothing for the best results. Proofs will be returned to families and will identify packages, pricing, background choices, etc.

Important to note that the COVID safety practices that were in place since August will be followed. There will be masks worn until the moment the picture is taken. Six foot spacing will be in place throughout this process. Disinfecting of high touch areas will occur. Ventilation in the cafeteria will be increased as the doors to the outside will be open during this event. Students will use hand sanitizer before and after their picture session. Casson and Foster successfully performed their services in many area schools and we appreciate their attention to COVID safety practices.

Be Safe,

Administration

All students, regardless of race, color, sex, gender identity, religion, national origin, sexual orientation, disability or homelessness, have equal access to the general education program and the full range of any occupational/vocational education programs offered by the district.

IT'S ALMOST PICTURE DAY!
